Supply and delivery of Single Drum Vibratory Roller, Self Propelled

Dear Sirs,

With reference to your bid submitted under captioned Tender notice published in The Rising Nepal on 06 May 2017, you are requested to provide further clarification regarding the followings.

1. **Clearly state the model of offered equipment and submit the documentary evidence in response to the Technical Specification (criteria no. 15, Proven performance).**
(The model of offered Single Drum Vibratory Roller as specified in price schedule, technical specification and catalogue enclosed is EC 5250 DD, but as per letter dated 18 June 2017 attached with bid document it is stated that "we have already started producing water cooled engine and stopped producing in our product EC 5250 DD Single Drum Vibratory Roller in our plant" and it is also stated that water cooled diesel engine will be provided if contract is awarded.
The offered model EC 5250 DD is air cooled type engine currently existing as standard production and same is verified from the official web site (www.escortsce.com) of Escorts India Limited and no water cooled engine is found in the current production model.
Engine make/model of offered model EC 5250DD as per attached catalogue is KOEL/HA694 but as specified in offered specification column it is mentioned as KOEL/4R1040TA3)
2. **In the letter dated 19 June 2017 issued by IME Automotives, enclosed in the bid document it is stated that "the offered equipment is of latest model under standard production for minimum five years at Escorts Limited India. Submit the supporting document or declaration of the same from the manufacturer.**
3. **Submit the documentary evidences showing that at least 15 units of same/ similar equipment supplied within Nepal.**
4. **Submit the documentary evidence showing that after sales service is providing for offered equipment in Nepal for at least 5 years.**

You are requested to provide the above information latest by **26 June 2017** within office hour.

Thanking you.

Yours sincerely,

(Hari Ram Acharya)
Deputy Director General
