Assignment Title: Procurement Panel Expert-2 for Procurement

Evaluation Panel

Contract Identification No. SRCTIP-DOR-NNM-CS-IND-5

1. INTRODUCTION AND BACKGROUND

Government of Nepal plans to improve the road section from Nagdhunga (Kathmandu)-Naubise- Mugling (NNM, 95 Km) road section and Kamala – Dhalkebar – Pathlaiya Road and Bridges (130 Km) under Strategic Road Connectivity and Trade Improvement Project (SRCTIP), proposed to be financed under the World Bank support. Detailed design for the improvement works for road and bridges are complete and Pre-qualification and biddings for the same under international open competition will be started, soon. The Government intends to hire consulting services of Procurement Panel Expert-2 for Procurement Evaluation Panel (PEP) for the improvement of NNM road and construction/ maintenance of Bridges works and consulting services for supervision of the same road works and Design Consultant for the Detail Design of Kamala – Dhalkebar – Pathlaiya Road and Bridges.

Government of Nepal (GON), Ministry of Physical Infrastructure and Transport, Department of Roads, intends to apply portion of the proceeds from the World Bank finance to make payments for the proposed contract for this Consulting Services. Consultancy service is intended to be procured under World Bank's Procurement Regulations for IPF Borrowers, July 2016, Revised August 2018

The services of PEP shall consist of 2 International Consultants (Procurement and technical experts) as members of the PEP. Procurement Panel Expert-1 will act as a Team Leader of the PEP and will do all necessary communication with Development Cooperation Implementation Division of DoR, as required. Procurement Panel Expert-2 will work as the member of the PEP and support the Team Leader. Members of the PEP shall be physically present in Kathmandu during the evaluation work or as required after discussion with DoR. Members shall collaborate with each other and prepare an independent Evaluation Report (ER) for prequalification and bid evaluation for all works contracts under the Project Road

and Evaluation Report for the selection of Design/ Supervision Consultant under the same project.

The PEP will submit its Evaluation Reports (ER) to Development Cooperation Implementation Division of DoR which will be further processed for approval from relevant authorities. The DCID of DoR has its own Evaluation Committee which will scrutinize the evaluation results and consider the PEP evaluation as basis for further finalization. The PEP shall work closely with the DCID team for understanding of the documents, evaluation criteria, and clarifications, if any and be clear about the evaluation Procedure before the start of the work. The PEP has to make presentation to the DCID’s evaluation committee before finalizing the report. In the final evaluation report, the PEP experts shall clarify and present their views, recommendations for PQ selection, bid awards in writing and response if there is any question regarding the evaluation.

PEP will finalize the Report and will submit to the Employer in the form of Bid / Proposal Evaluation Report.

2. OBJECTIVES

The main objectives of this consultancy services are:

- i. to conduct independent evaluation of all major contracts under the project road based on the evaluation/ qualification criteria of the Bidding / PQ documents / Expression of Interests/ Request for Proposal issued ensuring economy, efficiency, transparency and fairness in procurement proceedings in line with the Bank’s Procurement Regulations for IPF Borrowers, July 2016, Revised August 2018.

3. SCOPE OF THE SERVICES

Consultants shall carry out independent bid / application/ proposal evaluation through detailed examination of all the bids/applications received for all contracts of NNM Road Improvement works and proposals received for consulting service as listed below and such other initiatives that may be found necessary in consultation with the DoR to achieve the above objective.

- i) To conduct the detailed evaluation of all the received Bids /PQ applications/ EoIs/ proposals under the following contracts:
