 6. For example, 09.00AM to 5.00 PM.
 7. The fee, should defray the printing and mailing/shipping costs); it should not deter competition.
 8. For example, cashier’s check, direct deposit to specified account number.
 9. The delivery procedure is usually airmail for overseas delivery and surface mail or courier for local delivery, or by electronic means if electronic bidding is permitted. If urgency or security dictates, courier services may be required for overseas delivery.
 10. The amount of Bid Security should be stated as a fixed amount or as a minimum percentage of the Bid Price. Alternatively, if a Bid Security or a Bid-Securing Declaration is not required (often the case in supply contracts), the paragraph should so state.
 11. The office for Bid Opening may not necessarily be the same as that for inspection or issuance of documents or for Bid Submission. If they differ, each address must appear at the end of paragraph 7 and be numbered; as, for example, (1), (2), (3). The text in the paragraph would then refer to address (1), (2), etc. Only one office and its address may be specified for submission of bids, and this location should be as close as possible to the place where bids will be opened to shorten the time between Bid Submission and Bid Opening.
