To, the all Shortlisted Consultants

Dear Sir

It is mentioned on the provided RFP Document's Terms of Reference (ToR) in section **3.2.3 Design and Drawings that the** design standard to be adopted for the detailed design shall be "Nepal Road Standard (2070)" & based on traffic volume and possible network importance. But, Since DoR is now planning to design all the roads and bridges in minimum two lane. Hence, you are requested to act accordingly.

Thanking you

*Bhau*
