NOTICE FOR STANDING LIST

(As per the Public Procurement Act, 2007, Clause 6(ka))

For Preliminary Safety Hazard Audit Services

Date of Publication: 18th June 2026

Department of Roads (DoR), Road Improvement and Development Project Directorate, invites applications from qualified individual experts and/or consulting firms for enlistment in the standing list to provide Preliminary Safety Hazard Audit services for ongoing and completed road infrastructure projects as instructed by this directorate. The engagement will be on a need basis for a specified number of input days during the contract period.

Scope of Services (Terms of Reference – TOR):

- Conduct preliminary safety hazard audits for completed road projects.
- Conduct desk studies, including work planning and secondary data collection.
- Identify potential road safety risks, geometric deficiencies, and operational hazards.
- Review alignment, cross-sections, super elevation, intersections, and roadside features.
- Evaluate road environment elements to manage speeds, control driver passage through conflict points, and forgive driver mistakes.
- Identify safety concerns at specific locations, such as awkward bends or dangerous junctions.
- Provide risk classification and prioritization of all identified hazards.
- Recommend realistic and practical mitigation measures based on safety merits, independent of cost constraints.
- Check compliance with approved standards, ensuring recommendations prioritize actual, substantive safety over mere checklist compliance.
- Provide technical input for improving future road safety design standards.

As per the Public Procurement Act, 2007, Clause 6(ka), eligible and interested experts are requested to submit their application for enlistment in the standing list along with the following documents via email to: ridp.dor.gov.np@gmail.com

Requirements for Enlistment:

1. PAN / VAT registration document (mandatory prior to payment if selected)
2. Tax clearance certificate or extension for FY 2081/82 or later (not required for newly registered applicants)
3. Curriculum Vitae (CV) including academic qualifications and relevant experience

Minimum Qualification and Experience:

1. Minimum 3 years of relevant experience in road safety audit, highway engineering, traffic engineering, or related field
2. Master's degree in civil engineering / Transportation Engineering / Road Safety Engineering or equivalent

Deadline for Submission:

Within 21st June 2026.
